

Confirmation of the Final Documents

This form should be returned to the Swedish Intellectual Property Office (PRV). Check one of the alternatives below, sign alphabetically and return the form electronically to PRV, together with any new copies of the claims, description, summary or drawings. This form does not need to be printed out and signed by pen.

The undersigned has, in the attached new copies of the documents, rectified the deficiencies identified in the Final Notice. I hereby consent that PRV approves the patent application with the requested alterations in regard to the Final Documents.

The undersigned has, in the attached new copies of the documents, rectified the deficiencies identified in the Final Notice and has also made further alterations to the application. I hereby consent that the Final Documents in combination with the newly made alterations form the basis of the patent and that PRV consequently approves the patent application which is in accordance with these stated alterations.

I herewith attest that:

- the changes made are supported by the original application,
- each and every page of each section of the application that has been altered is enclosed with this form,
- it is clearly indicated in my reply to this Notice which pages and which rows of the application have been altered.

Application number

Date

Signature

Company name (if applicable)
